From Director's Desk

Teacher education explicitly means a programme of education research or training of persons for preparing them to teach at various school levels of education. It is well established fact that quality and standard of school education largely depends on quality of teachers with competence and a minimary zeal to shape the destiny of society through proper handling of future citizens.

We believe in competition and are trying to provide best quality teacher with best personality to raise the standard of school level education.

We are thankful to NCTE for its kind permission to allow 100 students in B.Ed. in this noble Institution. Today we stand as the thereshold of new future with a firm determination and commitment to impart quality education.

We promise that we will provide the best teacher to our society and to the whole nation.

I welcome all of you to the family of Kumar B.Ed. College, Panchrukhi, Kharnimore, Dhanbad.

(Pramod Kumar)
Director

"It is my firm belief that 21st Century belongs to India and we will emerge as a powerful developed nation in the world. Therefore, Kumar B.Ed. College has a commitment to provide benefits of educations to socially and economically deprived section of society to enable them to unfold potentialities and prove worthy and conscious members of this great nation. In my view the most important task to education is to produce enlightened citizens having human touch and dedication to the cause of the nation and society at large.

Message for our trainer

I extend my heartiest welcome to all those who aspire to get training and groom themselves up to become skilled teachers and would be the true guardians of Society.

We are committed to improve the quality & Merit of village people . We shall not compromise in those front and assure you of the best education.

We expect equal commitment and dedication from our students towards their attendance; course assignments; and teaching practice.

We are hopeful to provide the best and be the best of the lot in the human resource making industry.

We believe that if anything or anyone has ever managed to change the Society & country, it has been only through learning & teaching.

Wishing you all a bright future ahead.
